COMMISSIONER FOR PATENTS  
ALEXANDRIA, VIRGINIA 22313

SIR:

I, Christophe BOULLE, hereby declare:

1. I am a named co-inventor on the above-referenced patent application.

2. Prior to October 1, 2002, and after January 1, 1996, methods of treating wrinkled skin using compounds within formula (I) (as set forth in the above-referenced patent application) were conceived in France.

3. As evidence of such conception, submitted herewith at Tab A is a true and correct copy of one of my laboratory notebook pages which describes the use of a compound falling within formula (I) for anti-aging and anti-wrinkle purposes. A certified English translation of the text on this page is attached at Tab B.

4. Although the dates on which these methods were described in my laboratory notebook have been redacted from the submitted page, these methods were described in France prior to October 1, 2002, and after January 1, 1996.

5. The undersigned petitioner declares further that all statements made herein of her own knowledge are true and that all statements made on information and belief are believe to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.

6. Further deponent sayeth not.
